Subject 2008 Pebble Environmental Baseline Agency Meetings and TWGs Final Agenda & Webinar
Participation

Pebble Project Agency Team Members:

The purpose of this email is to transmit the final agenda for the Pebble Environmental Baseline Agency meetings and the Technical Working Group (TWG) meetings next week in Anchorage (November 17 – 21) (first attachment), and to provide instructions for those attending the former meetings remotely via our webinar and audio conference formats (second attachment).

While there have been minor changes to the agenda for the Environmental Baseline Agency meetings, changes have been made to the initial TWG meetings schedule based on conflicts with presentations at the former meetings as well as availability of individual TWG team members.

If you will be attending the meetings in person or remotely and have not yet sent your RSVP, please do so by close of business Wednesday, November 12 with the following information:

Name(s)

Dates of Remote Attendance

Dates of In Person Attendance

If you have any questions regarding the preliminary schedule, please contact Jason Gray at (907) 339-2600 or jasongray@pebblepartnership.com.

Thanks-

Ben Mohr
